In this memoir, set as deeply in his mind as in the Southeast Asian jungle, a young American soldier embarks on a journey to a war that, for him, will never be over.

 The world was a playground for Mickey, a naive Irish American kid bored with his life. His father served in World War II, his brother was a Marine in Vietnam; now it was his turn. His 365 days in Vietnam builds in torment until an attack on a bunker complex in Cambodia. Wounded, his friend captured, he becomes a tormented survivor knowing he is always just a heartbeat from death.
